

## BIG ART PHOTO ACOUSTIC PANEL

€ 499.00

Music audition rooms, conference room, cinema, studios, pubs, etc. All need a surface that is efficient at absorbing. **ART BIG PHOTO Acoustic Panel** with absorbs high frequencies, mounted on walls. Panel specially designed to be a main element in the construction of rooms. Acoustics panels from europeacoustics.com is built in a box, which has a membrane manufactured by us. **ART BIG PHOTO Acoustic Panels** high performance panel, very easy-to-install. It was designed to absorb and reflex the incident sound on the back, front or side walls, reducing the low energy that is present in excessive levels at the point of hearing. Therefore, it reduces unwanted resonances and helps to accommodate and improve sound perception.
